**Breeze & Guided
Rides
Background**

Cycling is the perfect way for islanders to enjoy time outside and also help Jersey's environment and their health at the same time. HSBC Breeze & Guided Rides are a good example of making cycling easy and enjoyable for all, no matter what your ability and we are very happy to help support the addition of more ride leaders.

HSBC Breeze Jersey was formed at the beginning of 2019 and offer fund, free bike rides for women of all ability. It was started following the success of the HSBC Breeze Programme in the UK to increase the numbers of women cycling as it was found that three times more men than women cycled for fun.

Breeze commenced with a dozen or so women meeting up at the Radisson Hotel on a Saturday morning, cycling to a coffee shop at St Aubin's and back. It has grown immensely and currently has 229 members. Rides have been developed at different levels on different days to ensure inclusivity for all our ladies. The rides range from a Beginners, Steady, Challenging, Challenging Plus and e-Bike.

Following the success of our Breeze rides, our HSBC Guided Rides was formed in September 2020, which gave men, women, families and couples the opportunity to ride together. We have both male and female leaders on this program, with the emphasis being the same as that of Breeze Jersey, different levels of rides, everyone is included, nobody gets left behind.

The motto of our groups is: "It doesn't matter if you're keeping fit, young at heart, wise beyond your years, or baffled by gears – everyone is welcome on a ride."

By volunteering for Breeze and Guided Rides you will help us to develop and grow our programmes to makes them accessible to more people. In doing so, you will discover new places to ride and meet many new people whilst also helping us to make our island a happier and healthier place to live!
