

MOVE MORE **TODDLER PLAY**

GROUND RULES

Our free Move More Toddler Play sessions encourage parents / carers to interact and play with their children. The sessions are predominantly aimed at toddlers aged up to 5 years old (their siblings are also permitted).

You are responsible for your child during our sessions - so, we ask that you please keep within a reasonable distance from them, and they are in your sight at all times.

We encourage you to enjoy participating in the activities with your child during each session and to limit time spent on your mobile.

If you would like to take a photo of your child participating and having fun, please **DO NOT** include other children.

Please help us to continue to Inspire an Active Jersey and share your photos of your child being active and having fun by tagging us @MoveMoreJersey and including the hashtags **#MoveMoreJersey** and **#JerseySport** in your social posts.

Please respect one another and encourage your child to take turns on the equipment with other children, especially equipment that is for one-to-one usage.

If you would like to eat a snack during the session, please sit down with your child in the eating area. In certain locations this could be in a different area to where the play equipment is based- please check with us if you are unsure of where to go.

Please don't walk around with any hot drinks in your hands!

Once the session has reached maximum capacity, we will start to operate on a one-in / one-out basis. Coaches will ensure this happens for the safety of the children in attendance.

HAVE FUN! We really hope that you and your child can have lots of fun playing at our Toddler Play sessions.
