

# MOVE MORE TODDLER PLAY AND MOVE MORE BUGGY WALKS TIMETABLE

## Move More Toddler Play

Our FREE Toddler Play sessions are suitable for crawling babies to those aged 3 years old and their siblings with parents or carers. Toddler play is designed to provide fun, active play opportunities for families, encouraging the benefits of moving more through play.

Our team of experienced Move More Playworkers will deliver soft play and outdoor activities which are engaging, fun and create a positive learning environment for all participants.

## Move More Buggy Walks

Our FREE Buggy Walks are easy walks, which are designed to help improve mental and physical wellbeing. It is a fun way for mums, dads, grandparents, and carers to meet new people, and share experiences in a structured way, whilst getting outdoors in the fresh air.

The routes have been carefully chosen so that they are all buggy friendly and last for about an hour. They start and finish at the same place, with a baby friendly cafe or community centre at the start or along the way. Babies need to remain in prams during the walk and not independently toddling.

There is no need to pre-book for the sessions, you can just turn up on the day!

Please join our Move More Toddler Play closed Facebook Group: <https://www.facebook.com/groups/3382478782017000/>

The group will be used by our Move More Toddler Play Team to communicate programme updates, timetable releases and cancellation of sessions (which will be communicated in the morning of the session) so please ensure your notifications for the group are turned on and you check in with us regularly.

Please read the Move More Toddler Play and Move More Buggy Walks Ground Rules on our website before taking part.
