

TODDLER PLAY AND BUGGY WALKS TIMETABLE

Move More Toddler Play

Our FREE Toddler Play sessions are suitable for crawling babies to those aged 3 years old and their siblings with parents or carers. The sessions have been designed to provide fun, active play opportunities, encouraging the benefits of moving more through play. Our qualified and experienced Move More Playworkers will deliver sensory, soft play and a variety of games for children during the sessions, which are engaging, fun and create a positive learning environment for all participants.

In the Summer term, the Move More Toddler Play programme is based outdoors, predominately at community parks, parish halls and recreation centres. With some the locations having an indoor option when faced with adverse weather! For those that do not have an indoor option we will cater for wet play activities! Please note any cancelled session will be communicated on our social media channels, the morning of the session.

Move More Buggy Walks

Our FREE Buggy Walks are easy walks, which are designed to help improve mental and physical wellbeing. It is a fun way for mums, dads, grandparents, and carers to meet new people, and share experiences in a structured way, whilst getting outdoors in the fresh air.

The routes have been carefully chosen so that they are all buggy friendly and last for about an hour. They start and finish at the same place, with a baby friendly cafe or community centre at the start or along the way. Babies need to remain in prams during the walk and not independently toddling.

There is no need to pre-book for the Walks, you can just turn up on the day!
